## ***Fleas Service Preparation***

- 1.** Remove all items from floors where possible.
- 2.** Remove any pet beddings and wash in hot water (prior to treatment).
- 3.** Remove any items under beds and closets.
- 4.** Vacuum (floors and furniture) thoroughly and remove/empty the bag.
- 5.** Make preparation to leave the premises. All flooring will be treated and cannot be walked on for 4 hours.
- 6.** Treatment will be done every 2-4 weeks depending on severity of infestation.
